# Getting Started with the Tenant Portal

The Tenant Portal provides you real-time access to information about your lease via the internet.

From the Tenant Portal, you can:

- Review and edit contact information.
- Create and manage services requests.
- View your rental details.
- Give notice.
- Communicate with the property management team.
- Review documents shared by the owner or property management company.

Navigating the Tenant Portal in the New View.....	13

## Accessing the Tenant Portal

Access the Tenant Portal from your property manager's website.

Every web site will be unique, but you should see an obvious link that takes you to the **Tenant Portal Sign-On** page.

The screenshot displays a website interface for a property manager. On the left is a blue navigation menu with the following items: Home, About Us, Tenants (highlighted with an orange border), Owners, Rentals, For Sale, Contact Us, Confirmation, Featured For Sale, Featured Rental Widget, Regression Test, Owner Application, and Tenant Application. Below the menu are two buttons: 'Rental Search' with a magnifying glass icon and 'Payment Center' with a house icon. The main content area features a large photograph of a multi-story apartment building. Below the photo is a 'Tenant Portal' sign-in form. The form is titled 'Secure Login' and includes fields for 'Email Address' and 'Password', each with a white input box. An orange 'Sign In' button is positioned below the password field. To the right of the form is a photograph of hands typing on a laptop keyboard. Below the form, there is a link for 'Forgot your password?' and a section for 'Don't have an Account?' with the text 'Signing up is easy, fast and secure.' and an orange 'Sign up' button.

## Signing Up for a Portal Account

You can sign up for your Tenant Portal account at the property management company website.

**You must have an email address to have an account to your owner portal. Your property manager uses this address to set up your account and sends you an email message with sign-on instructions to your portal. In most cases, your email address is the username.**

To sign up for a portal account:

1. From the Tenant Portal link, click the **Sign Up** button.

The screenshot displays the Tenant Portal website interface. On the left is a blue navigation menu with links: Home, About Us, Tenants, Owners, Rentals, For Sale, Contact Us, Confirmation, Featured For Sale, Featured Rental Widget, Regression Test, Owner Application, and Tenant Application. Below the menu are three buttons: Rental Search, Payment Center, and a house icon. The main content area features a photograph of a modern apartment building. Below the photo is a 'Secure Login' section with 'Email Address' and 'Password' input fields, a 'Sign In' button, and a link for 'Forgot your password?'. A highlighted box contains the text: 'Don't have an Account? Signing up is easy, fast and secure.' with a 'Sign up' button.

The **Sign Up** page opens.

The screenshot shows a 'Signup' form with the following fields and buttons:

- Signup** (Section Header)
- Signup to receive a login account** (Section Header)
- First Name:
- Last Name:
- Email:
- Address:
- Address 2:
- City:
- State/Province:
- Zip/Postal Code:
- Comments:
- Submit:
- Cancel:

2. Fill out all the required fields and click the **Submit** button.

---

The information you submit must match to the information on your lease file.

---

3. After you submit your request, your property manager will activate your account and send you an email message a password and sign-on instructions.
4. Use the instructions in the email message to sign on to your Tenant Portal account.

## Signing In to the Tenant Portal

To access the Tenant Portal, you must provide an email address to associate with your account. Your property manager uses this email address to set up your account and sends an email with sign-in instructions for the Tenant Portal.

To sign in to the Tenant Portal:

- After you request access to the tenant Portal, you receive an email message that includes:
  - Web address of the Tenant Portal **Login** page.
  - Your login information, including a temporary password.
  - Instructions for signing in to the Tenant Portal.
- Open the Tenant Portal **Login** page.

- In the **Email Address** field, type your email address.
- In the **Password** field, type the password provided in the email you received from your property manager.
- Click **Login**.

The Tenant Portal opens.

## Resetting Your Tenant Portal Password

If you lose or forget your Tenant Portal password, you can reset it from the **Login** page.

**If you need to change your password for security purposes, use the Change Password option in the User Menu.**

To reset your password:

1. On the **Login** page, click **Forgot Password?** (or a similarly named button or link).

The screenshot shows a 'Secure Sign In' form. It has two input fields: 'Email Address' and 'Password'. Below these fields is a checkbox labeled 'Remember Me' and a link labeled 'Forgot Password?' which is highlighted with an orange box. At the bottom of the form are two buttons: 'Login' and 'Create Account'.

The **Request a New Password** page (or a similarly named page) opens.

The screenshot shows a 'Request a new password' form. It has three input fields: 'First Name', 'Last Name', and 'Email'. Below these fields are two buttons: 'Submit' and 'Cancel'. At the bottom of the form is a link labeled 'Return To Login' and a help message: 'Help : All fields are required. Please provide the same first name, last name and email used to setup the account. If you don't have this information please contact management.'

2. Provide your **First Name**, **Last Name**, and **Email**.

3. Click **Submit**.

You will receive an email with a temporary password.

4. Use the temporary password to sign in to the Tenant Portal.

After you sign in to the Tenant Portal, you will be prompted to choose a new password.

## Navigating the Tenant Portal in the New View

To navigate in the New View Tenant Portal you can use the **Navigation Menu**, the **Help** button, and the **User Menu**.

*Because your property management company can customize the names of the Navigation Menu items, your New View Tenant Portal may have different titles in the Navigation Menu. The individual pages in the New View Tenant Portal may include different titles as well.*

- a) **Navigation Menu** button: Click to expand or collapse the **Navigation Panel**.
- b) **Navigation Panel**: Expanded. Provides access to Tenant Portal menu items.
- c) **Navigation Panel**: Collapsed. Provides access to Tenant Portal menu items.
- d) **User Menu** (on page 110): Click to view or change your contact information, change your password, return to the **My Account** page, log out of the Tenant Portal, switch to or from Dark Navigation.
- e) **Help** button: Click to view help for the current page.

Your Tenant Portal may have some or all of these menu items and the items may have different names; however, regardless of the name, the function of the menu items remains the same.

- **My Account** (on page 15): Provides an overview of your profile, your lease, and your contact information and lets you communicate with your management team.
- **My Payments** (on page 47): Provides payment details about your lease.
- **Service Request** (on page 85): If your management company uses online service requests on the Tenant Portal, this menu item lists all your maintenance requests in chronological order, regardless of status.
- **Documents** (on page 107): Provides links to shared building, lease, or other documents posted by the property manager.
- **Insurance** (on page 109): Contains information about your renter's insurance policy.

## CHAPTER 2

# My Account

The **My Account** page provides an overview of your account information and a series of options that allow you to manage your account.

The available options depend on which online features your management team uses.

The **My Account** page provides these sections:

- *Community Message* section (on page 17): Used by your management company to post messages to you and other tenants.
- *Account Summary* section (on page 18): Shows your account balance and allows you to review your account activity. If your management company uses online payments on the tenant portal, you can also make payments here.
- *Open Service Requests* section (on page 21): If your management company uses online service requests on the Tenant Portal, this section allows you to review, cancel, and edit your open service requests.
- *Conversations* section (on page 42): Allows you to have conversations with your management team.

### In This Chapter

Actions Drop-Down List.....	16
Community Messages Section .....	17
Account Summary Section .....	18
Open Service Requests Section.....	21
Conversations Section.....	42

## Actions Drop-Down List

The **Actions** drop-down menu on the **My Account** page provides short cuts to common actions.

From the **Actions** drop-down menu, you can:

- **Make One-Time Payment** (on page 71): Opens the **Make a One-Time Payment** page.
- **New Conversation**: Opens the **New Conversation** pane and start a conversation.
- **New Service Request** (on page 22): Opens the **New Service Request** pane and create a service request.
- **View Scheduled Payments** (on page 80): Opens the **Scheduled Payments** page.
- **Change Email/Password** (on page 111): Opens the **Change Password** pane.
- **Edit Contact Information** (on page 110): Opens the **Contact Info** page.

## Community Messages Section

In the *Community Message* section of the **My Account** page, you can view messages posted to you and other tenants in your community.

### Community Message

#### RENT PAYMENTS AND PET FEES:

All rent payments and pet fees should be made in the My Payments section. Select **"Make One-Time Payment"** or **"Schedule Recurring Payment"** to get started. As a courtesy, ACH payments are still free to process. Credit / debit card payments will be charged a \$30 processing fee.

**Note:** Debit card payments may come out of the same bank account as your ACH payments, but the processing is different - so to avoid any processing fees, use your debit card account's ABA Routing and Account numbers.

#### LATE FEES & AUTOMATED ACH PAYMENTS:

Rent is due on the 1st of the month. A grace period is provided to give you time to pay, however, if you fail to pay by the 5th day of the month, a Late Fee will be charged on the 6th day of the month.

\* Connecticut Tenants: If the rent is not received by the 9th day of the month, a late fee will be assessed on your account on the 10th of the month. Massachusetts Tenants: If the rent is not received by the 30th day of the month, a late fee will be assessed on your account the next day after the 30th.

To avoid late fees, sign up for automated ACH (e-check) payments! It's an easy, secure and convenient way to always pay your rent on time. To get started, select My Payments from the menu option above, select Schedule Recurring Payment, and select eCheck in the fields below.

## Account Summary Section

The *Account Summary* section of the **My Account** page presents a list of your payments and transactions.

For each transaction, the list includes:

- **Address:** Property address associated with the transaction. Click an address to open the **My Rentals** page for that property.
- **Unit:** Unit number associated with the property.
- **Last Payment Date:** For payments, date the payment was made.
- **Deposit Held:** Amount held for deposit, if any.
- **Total Unpaid:** Remaining unpaid amount.
- **Ledger Balance:** Balance of the Resident Ledger.
- **Action:** Click the **Action** icon to:
  - **View Detail:** Select to open the **My Rentals** (on page 19) page for that property.
  - **Make One-Time Payment:** Select to open the **Make a One-Time Payment** (on page 71) page and make a payment for that property. This action is only available if your property management company allows payments from the Tenant Portal.

Account Summary						
Address	Unit	Last Payment Date	Deposit Held	Total Unpaid	Ledger Balance	Action
3126 Tarrant	-	11/03/2018	\$0.00	\$0.00	\$0.00	

[View Account Detail](#) [Make a Payment](#)

Click any column header (except **Actions**) to sort the list of transactions.

If you lease one property, the **View Account Detail** and **Make a Payment** buttons appear after the list. If you lease more than one property, the buttons do not appear.

Click **View Account Detail** to open the **My Rentals** page for your lease.

Click **Make a Payment** to open the **Make a One-Time Payment** (on page 71) page.

## My Rentals/Account Details

The **My Rentals** page allows you to review the details of your leases.

The page is divided into two sections:

- The *Summary* section displays information about your lease.
- The *Resident Ledger* section shows charge and payment details for your account.

From the **My Rentals** page, you can:

- **Make a One-Time Payment** (on page 71): Click to make an online payment for your account or to set up a payment account.
- **Payment Accounts** (on page 63): Click to open the **Payment Accounts** page
- **View Scheduled Payments** (on page 80):
- **Give Notice** (on page 20): Click to notify your management team that you are ending a lease.

## Giving Notice

When you click **Give Notice** on the **My Rentals** page, the **Move Out Notice** page opens.

To notify your management team that you are ending a lease, complete the required fields, then click **Save**.

## Creating a New Service Request

To create a new service request in the New View Tenant Portal:

1. You can open the **New Service Request** pane from different locations:
  - From the **My Service Requests** page, click **New Service Request**.
  - From the **My Account** page, click **New Request** in the *Open Service Requests* section.
  - From the **Actions** drop-down menu on the **My Account** page, select **New Service Request**.
  - From the **Service Request Details** page, click **New Service Request**.

The **New Service Request** pane opens.

**New Service Request** ✕

2. From the **Building/Unit** drop-down list, select the location for the service request.
3. In the **Specific Location** text box, provide additional details regarding the location of the maintenance problem.
4. In the **Description** text box, type a detailed description of the problem.

5. From the **Primary Phone Type** drop-down list, select the type of phone number you are providing for the request: **Mobile**, **Work**, or **Home**.
6. In the **Primary Phone** text box, type the phone number to use for this request.
7. The **Email Address** text box is automatically populated with the email address associated with your account. To change the email, type your changes in the text box.
8. From the **Priority** drop-down list, select the urgency of the service request.
9. In the *Preferred Entry Date & Time* section, configure the entry date and time:
  - a) To indicate that any time and date are acceptable, move the **Any Date/Time** toggle switch to the right.
  - b) To specify a preferred entry time, move the **Any Date/Time** toggle switch to the left. In the date and time fields that appear:
    - In the **Preferred Entry Date** calendar box, type or select the date on which you would like the service to be performed.
    - In the **Preferred Time to Enter** date box, type or select the time at which you would like the service to be performed.
10. To attach a document (including image files), click **Attach Document**, then use the browser's file upload dialog box to navigate to the file to attach.
11. When all the fields are complete, click **Save**.
12. If you added a new phone number or email address, a dialog box appears and you must indicate whether or not your profile should be updated to include your changes.

The new service request is created and appears in the list of open service requests.

## Request Details

The **Service Request Details** page is made up of three sections:

- *Request Details* section - In this section, you can:
  - View the details of a service request (on page 27).
  - Create a new service request (on page 22).
  - Edit a service request (on page 30).
  - Cancel a service request (on page 32).
- *Maintenance Documents* section - In this section, you can:
  - View documents attached to the service request (on page 35).
  - Attach a document to the service request (on page 36).
- *Conversations* section - In this section, you can:
  - View a list of conversations concerning the service request (on page 38).
  - Add a new message to an existing conversation (on page 39).
  - Create a new conversation for the service request (on page 40).

To open the **Service Request Details** page, from the **Service Requests** page or the *Open Service Requests* section of the **My Account** page, click the **Service Request Number** link for a service request.

## Viewing Service Request Details

In the *Request Details* section of the **Service Request Details** page, you can view the details of a specific service request.

The request details include:

- **Status:** Indicates whether or not the service request is in progress (**Open**) or has been completed (**Closed**).
- **Specific Location in Unit:** Location details provided when the service request was created or edited.
- **Description:** Detailed explanation of the issue that prompted the service request.
- **Requestor:** Person who submitted the service request.
- **Priority:** Urgency assigned to the service request.
- **Preferred Time to Enter:** Date and time the tenant would like the service to occur.
- **Date Created:** Date the service request was submitted.
- **Start Date:** Date work started on the service request.
- **Completed Date:** Date work on the service request was completed.
- **Closing Comments:** Comments provided by the person who completed the request.

If a field in the *Request Details* section is blank, no data has been entered for that field.

8. From the **Priority** drop-down list, select the urgency of the service request.
9. In the *Preferred Entry Date & Time* section, configure the entry date and time:
  - a) To indicate that any time and date are acceptable, move the **Any Date/Time** toggle switch to the right.
  - b) To specify a preferred entry time, move the **Any Date/Time** toggle switch to the left. In the date and time fields that appear:
    - In the **Preferred Entry Date** calendar box, type or select the date on which you would like the service to be performed.
    - In the **Preferred Time to Enter** date box, type or select the time at which you would like the service to be performed.
10. To attach a document (including image files), click **Attach Document**, then use the browser's file upload dialog box to navigate to the file to attach.
11. When all the fields are complete, click **Save**.
12. If you added a new phone number or email address, a dialog box appears and you must indicate whether or not your profile should be updated to include your changes.

The new service request is created and appears in the list of open service requests.

## Editing a Service Request

To edit a service request:

1. From the **Service Request Details** page, click **Edit**.

The **Edit Service Request** pane opens.

**Edit Service Request** [X]

**Building/Unit \***  
Unit 077

**Specific Location**  
[Text Box]

**Description**  
[Text Box]

**Requestor \***  
Mr. Abel J. Nolan Sr.

**Primary Phone Type**  
Home

**Primary Phone**  
(666) 555-6666

**Email Address \***  
integer@ridiculusmus.ca

**Priority**  
Medium

**Preferred Entry Date & Time**  
 Any date/time

**Attach Document**

\* Required fields

**Cancel** **Save**

2. From the **Building/Unit** drop-down list, select the location for the service request.
3. In the **Specific Location** text box, provide additional details regarding the location of the maintenance problem.
4. In the **Description** text box, type a detailed description of the problem.
5. From the **Primary Phone Type** drop-down list, select the type of phone number you are providing for the request: **Mobile**, **Work**, or **Home**.
6. In the **Primary Phone** text box, type the phone number to use for this request.
7. The **Email Address** text box is automatically populated with the email address associated with your account. To change the email, type your changes in the text box.

8. From the **Priority** drop-down list, select the urgency of the service request.
9. In the *Preferred Entry Date & Time* section, configure the entry date and time:
  - a) To indicate that any time and date are acceptable, move the **Any Date/Time** toggle switch to the right.
  - b) To specify a preferred entry time, move the **Any Date/Time** toggle switch to the left. In the date and time fields that appear:
    - In the **Preferred Entry Date** calendar box, type or select the date on which you would like the service to be performed.
    - In the **Preferred Time to Enter** date box, type or select the time at which you would like the service to be performed.
10. To attach a document (including image files), click **Attach Document**, then use the browser's file upload dialog box to navigate to the file to attach.
11. When all the fields are complete, click **Save**.
12. If you added a new phone number or email address, a dialog box appears and you must indicate whether or not your profile should be updated to include your changes.

The new service request is created and appears in the list of open service requests.

## Cancelling a Service Request

You can cancel a service request from different locations:

- From the **Service Request Details** page, click **Cancel Service Request**.
- In the *Open Service Requests* section on the **My Account** page, select **Cancel** from the **Action** drop-down menu.
- From the **Action** drop-down menu on the **Service Requests** page, select **Cancel**.

Only open service requests can be canceled.

When you cancel a service request, the request's status changes to "Canceled by Tenant".

**Canceling a service request is permanent.**

## Maintenance Documents Section

In the *Maintenance Documents* section of the **Service Request Details** page you can:

- View a list of documents attached to the service request (on page 34).
- Open and manage documents attached to the service request (on page 35).
- Attach a document to the service request (on page 36).

Maintenance Documents					
 Attach Document					
File Name	File Type	Size	Uploaded	Action	
backed up sink.jpg	Image	28k	7/15/2019		

## Viewing the List of Attached Maintenance Documents

In the *Maintenance Documents* section of the **Service Request Details** page, you can view the details of a specific document attached to the service request.

The document details include:

- **File Name:** Name of the attached document.
- **File Type:** Type of file, as determined by the file extension of the attached document (.jpg, .txt, .pdf, etc.).
- **Size:** File size of the attached document.
- **Action** : Actions available for opening and managing attached documents (on page 35).

Maintenance Documents				
 Attach Document				
File Name 	File Type 	Size 	Uploaded 	Action
backed up sink.jpg	Image	28k	7/15/2019	

## Opening and Managing Documents Attached to the Service Request

For each attached document in the *Maintenance Documents* section list on the **Service Request Details** page, you can click the **Action** icon  to open the document or delete it.

To open an attached document, click the **Action** icon associated with the document, then select **View** from the list that opens. The document opens.

To delete an attached document, click the **Action** icon associated with the document, then select **Del** from the list that opens. The document is removed from the list of attached documents and is no longer attached to the service request.

## Attaching a Document to the Service Request

To attach a document to the service request:

1. You can attach a document to a service request from different locations:
  - From the *Maintenance Documents* section of the **Service Request Details** page, click **Attach Document**.
  - From the **Edit Service Request** pane, click **Attach Document**.
2. If you click **Attach Document** in the **Edit Service Request** pane, follow the instructions for attaching a file via your browser's file upload navigator. Skip to Step 5 of this procedure.
3. If you click **Attach Document** in the *Maintenance Documents* section of the **Service Requests Details** page, the **Attach Document** pane opens.

4. Either drag a file into the target area or click the target area to open your browser's file upload navigator.
5. If you drag a file into the target area, the file's name appears in the **Attach Document** pane.
6. If you open the file upload navigator, follow the browser's instructions to locate the file and upload it.
  - In the **Attach Document** pane, the file name appears under the target area.
  - In the **Edit Service Request** pane, the file name appears below the **Attach Document** button.

**You can attach only one file at a time.**

7. Click **Save**.

The document appears in the *Maintenance Documents* list.

## Conversations Section of Service Request Details

The *Conversations* section of the **Service Request Details** page lists conversations regarding the service request.

Conversations include your comments and responses, and the property managers' comments and responses.

**Only conversations related to the service request details you are viewing appear in the *Conversations* section.**

In the *Conversations* section, you can:

- View a list of existing conversations related to the service request (on page 38).
- Add a comment to an existing conversation (on page 39).
- Start a new conversation (on page 40).

The screenshot shows the 'Conversations' section of a service request details page. At the top left, the word 'Conversations' is displayed in bold. To the right, there is an 'Expand All' toggle switch which is currently turned on (green). Below the title, there is a button labeled 'New Conversation +' with a plus sign. The main content area shows a conversation thread. The first message is from 'Mr. Abel J. Nolan Sr.' dated '07/15/2019 4:08 PM' with the text 'Help! My kitchen sink won't drain because the garbage disposal is not working.' Below this message is a text input field with a blue plus sign button on the right. The second message is from 'Cassandra Sosa' dated '07/15/2019 4:19 PM' with the text 'We will fix the problem as soon as possible.' The messages are displayed in a light gray background.

## Viewing the List of Conversations

In the *Conversations* sections of the **My Account** page and the **Service Request Details** page, you can view a list of conversations.

On the **My Account** page, all open conversations appear in the list of conversations.

On the **Service Request Details** page, only conversations related to the service request appear in the list of conversations.

Each conversation includes:

- The name of the person who started the conversation.
- The name of the person who made each comment.
- The date and time the conversation or comment was created.
- A **Comment** text box that allows you to add a comment to the conversation (on page 39).

The screenshot shows a 'Conversations' header with an 'Expand All' toggle switch (turned on). Below the header is a 'New Conversation +' button. The first conversation is from 'Mr. Abel J. Nolan Sr. - 07/15/2019 4:08 PM' with the message 'Help! My kitchen sink won't drain because the garbage disposal is not working.' Below this is a text input field with a blue '+' button. The second conversation is from 'Cassandra Sosa 07/15/2019 4:19 PM' with the message 'We will fix the problem as soon as possible.'

### Expanding and Collapsing Conversations

To expand or collapse a single conversation click the **Expand/Collapse** icon .

To expand or collapse all conversations, click the **Expand All** toggle switch. The switch turns green when all conversations are expanded.

This screenshot is identical to the previous one, showing the 'Conversations' section with the 'Expand All' toggle switch turned on (green).

## Adding a New Comment to an Existing Conversation

To add a comment to a conversation:

1. In the **Comment** text box, type your message.
2. To post your comment, click the **Add Comment** icon .

Your comment appears under the next most recent comment and is also sent to the property managers.

The screenshot shows a 'Conversations' interface. At the top right, there is an 'Expand All' toggle switch which is turned on. Below the title, there is a 'New Conversation +' button. The main content area displays a conversation thread:

- Mr. Abel J. Nolan Sr. - 07/15/2019 4:08 PM**  
Help! My kitchen sink won't drain because the garbage disposal is not working.  
Below the message is a text input field with a blue '+' icon on the right.
- Cassandra Sosa 07/15/2019 4:19 PM**  
We will fix the problem as soon as possible.
- Mr. Abel J. Nolan Sr. 07/16/2019 10:01 AM**  
Thank you!

## Starting a New Conversation

To start a new conversation:

1. Click **New Conversation**.

The **New Conversation** pane opens.

The screenshot shows a modal window titled "New Conversation" with a close button (X) in the top right corner. Below the title is a label "Comment \*" and a text input field with the placeholder text "Comment". At the bottom right, there is a legend "\* Required fields" and two buttons: "Cancel" and "Save".

2. Type your message in the **Comment** text box.
3. When your message is complete, click **Save** to send the message.

The conversation is delivered to the property management company and appears in your list of conversations.

Your name and lease information are included with the message, and, if you started the new conversation from the **Service Request Details** page, the conversation is associated with the service request and the service request number is included in the message that the property management company receives.

## View All Requests

In the *Open Service Requests* section of the **My Account** page, you can view all service requests, including closed or canceled requests.

Open Service Requests				
+ New Request				
Service Request Number	Date Created	Description	Status	Action
157	07/15/2019	Disposal not working.	Open	⋮

[View All Requests](#)

To view all service requests, click **View All Requests**.

The **Service Requests** page opens with all service requests listed.

My Service Requests				<a href="#">New Service Request</a>
Service Request Number	Date Created	Description	Status	Action
156	07/12/2019		Canceled By Tenant	⋮
157	07/15/2019	Disposal not working.	Open	⋮

## Conversations Section

The *Conversations* section of the **My Account** page is a list of all your conversations with the property management company.

From the *Conversations* section, you can:

- View existing conversations (on page 38).
- Add a new comment to an existing conversation (on page 39).
- Start a new conversation (on page 40).

### Conversations Expand All

[New Conversation +](#)

**Work Order #157 - Mr. Abel J. Nolan Sr. - 07/15/2019 4:08 PM** ^

+

## Viewing the List of Conversations

In the *Conversations* sections of the **My Account** page and the **Service Request Details** page, you can view a list of conversations.

On the **My Account** page, all open conversations appear in the list of conversations.

On the **Service Request Details** page, only conversations related to the service request appear in the list of conversations.

Each conversation includes:

- The name of the person who started the conversation.
- The name of the person who made each comment.
- The date and time the conversation or comment was created.
- A **Comment** text box that allows you to add a comment to the conversation (on page 39).

The screenshot shows a 'Conversations' section with an 'Expand All' toggle switch (green) in the top right. Below the title is a 'New Conversation +' button. The first conversation is from 'Mr. Abel J. Nolan Sr. - 07/15/2019 4:08 PM' with the message 'Help! My kitchen sink won't drain because the garbage disposal is not working.' Below the message is a text input field with a blue '+' button. A response from 'Cassandra Sosa 07/15/2019 4:19 PM' is shown in a grey box: 'We will fix the problem as soon as possible.' A small upward-pointing arrow is visible in the top right of the conversation card.

### Expanding and Collapsing Conversations

To expand or collapse a single conversation click the **Expand/Collapse** icon .

To expand or collapse all conversations, click the **Expand All** toggle switch. The switch turns green when all conversations are expanded.

This screenshot is identical to the previous one, but the 'Expand All' toggle switch in the top right is now turned on (green), indicating that all conversations are expanded.

## Adding a New Comment to an Existing Conversation

To add a comment to a conversation:

1. In the **Comment** text box, type your message.
2. To post your comment, click the **Add Comment** icon .

Your comment appears under the next most recent comment and is also sent to the property managers.

## Starting a New Conversation

To start a new conversation:

1. Click **New Conversation**.

The **New Conversation** pane opens.

The screenshot shows a modal window titled "New Conversation" with a close button (X) in the top right corner. Below the title is a label "Comment \*" and a text input field with the placeholder text "Comment". At the bottom right of the modal, there is a label "\* Required fields" and two buttons: "Cancel" and "Save".

2. Type your message in the **Comment** text box.
3. When your message is complete, click **Save** to send the message.

The conversation is delivered to the property management company and appears in your list of conversations.

Your name and lease information are included with the message, and, if you started the new conversation from the **Service Request Details** page, the conversation is associated with the service request and the service request number is included in the message that the property management company receives.

# My Payments

If your management company allows online payments from the Tenant Portal, you can select one of these actions from the **My Payments** navigation menu item:

- **Make a One-Time Payment** (on page 71): Click to open the **Make a One-Time Payment** page and make a single online payment.
- **Schedule Recurring Payment** (on page 54): Click to open the **Schedule Recurring Payment** page and set up recurring automatic payments. If you have not set up a payment account, the **New Payment Account** page opens.
- **Payment Accounts** (on page 63): Click to open the **Payment Accounts** page or, if you have not set up any payment accounts, the **New Payment Account** page.
- **View Scheduled Payments** (on page 80): Click to open the **Scheduled Payments** page. If you have not set up a payment account, the **New Payment Account** page opens.

## Make a One-Time Payment - Adding a Payment Account

You can open the **New Payment Account** page from several locations:

- From the **Payment Accounts** page:
  - If you do not have a payment account set up, the **New Payment Account** page opens automatically when you select **Payment Accounts** from the **My Payments** navigation menu item.
  - If you do have a payment account set up, you can click **Add Payment Account** to open the **New Payment Account** page and set up another account.
- From the **Make a One-Time Payment** page, by clicking **Add Payment Account**.
- From the **Schedule Recurring Payment** page:
  - If you do not have a payment account set up, the **New Payment Account** page opens automatically when you select **Schedule Recurring Payment** from the **My Payments** navigation menu item.
  - If you do have a payment account set up, you can click **Add Payment Account** to open the **New Payment Account** page and set up another account.
- From the **Scheduled Payments** page:
  - If you do not have a payment account set up, the **New Payment Account** page opens automatically when you select **View Scheduled Payments** from the **My Payments** navigation menu item.
  - If you do have a payment account set up, you can click **Add Payment Account** to open the **New Payment Account** page and set up another account.

Depending on how the property management team has set up the Tenant Portal, you can set up an E-Check account, a credit card account, or both:

- To set up an E-Check payment account, select **E-Check**, then follow the instructions in **Adding an E-Check Payment Account** (on page 50).
- To set up a credit card payment account, select **Credit Card**, then follow the instructions in **Adding a Credit Card Payment Account** (on page 52).

Description

[Cancel](#) [Submit](#)

## Scheduling a Recurring Payment

To schedule a recurring payment:

1. Open the **Schedule Recurring Payment** page:
  - From the **My Payments** navigation menu item, when you select **Schedule Recurring Payment**.
  - From the **Payment Accounts** page, by clicking **Schedule Recurring Payment**.
  - From the **Scheduled Payments** page, by clicking **Schedule Recurring Payment**.
2. If you have not set up a payment account, the **New Payment Account** page opens. See **Adding a Payment Account** (on page 48) for a description of adding a payment account.
3. If you have a saved payment account, the **Schedule Recurring Payment** page opens.

The screenshot shows the 'Schedule Recurring Payment' form with the following fields and options:

- Unit:** 308 Duke Ave - Active
- Payment Method \*:** Select Payment Method (with a '+ Add Payment Account' link)
- Payment Amount \*:** \$ 0.00
- Frequency \*:** Monthly
- Start Date \* ?:** MM/DD/YYYY (with a calendar icon)
- End Date ?:** MM/DD/YYYY (with a calendar icon)
- Description:** (empty text box)
- Buttons:** Cancel and Submit

4. From the **Unit** drop-down list, select the appropriate unit.
5. From the **Payment Method** drop-down list, select the account to make the recurring payments from. You cannot set up a recurring cash payment.  
When you select a payment account, the payment account information appears in the **Payment Account** field.
6. To add a payment account, click **Add Payment Account** and follow these steps for **Adding a Payment Account** (on page 48).
7. In the **Payment Amount** text box, type the amount to be paid.
8. From the **Frequency** drop-down list, select **Weekly**, **Monthly**, or **Yearly**.
9. In the **Start Date** calendar field, type or select the day on which to start the recurring payments.
10. In the **End Date** calendar field, type or select the day on which to end the recurring payments.

11. In the **Description** text box, type a description of the recurring payment.

*If your property management company charges a convenience fee for the payment method you selected, the fee amount appears below the Description text box. The convenience fee is added for each instance of the recurring payment.*

12. Click **Submit**.

A **Confirm Payment** dialog appears.

13. If the information in the **Confirm Payment** is correct, click **Save**.

The **Scheduled Payments** page opens and the recurring payment appears in the **Recurring Payments** list.

## Make a One-Time Payment - Adding a Payment Account

You can open the **New Payment Account** page from several locations:

## Adding a Credit Card Payment Account

To add a credit card payment account:

1. Select **Credit Card**.

The fields on the **New Payment Account** page change to match the credit card fields.

2. Provide the **Account Information**:

- **Card Number**
- **Card Expiration**
- **Account Nickname**

3. Provide the **Billing Information**:

- **First Name**
- **Last Name**
- **Billing Address**
- **Address 2 (optional)**
- **City**
- **State** (select from the drop-down list)
- **ZIP/Postal Code**
- **Birth Date (optional)**
- **Billing Email (optional)**

4. Click Save.

## Payment Accounts

On the **Payment Accounts** page, you can:

- View and manage a list of your payment accounts (on page 64).
- Add a payment account (on page 48).
- Make a one-time payment (on page 71).
- Schedule a recurring payment (on page 54).

Payment Accounts					
Add Payment Account		Make One-Time Payment		Schedule Recurring Payment	
Account Nickname	Account Type	Routing Number	Account/Card Number	Exp Date	Actions
Test1	Checking	021000021	XXXXXX2147		⋮
Credit	Visa		XXXXXXXXXXXX1111	12/2022	⋮

## Viewing and Managing Your Payment Accounts

A list of your payment accounts appears on the **Payment Accounts** page.

For each account, this information appears:

- **Account Nickname:** The name you gave the account when you created it.
- **Account Type:** The payment method for the account:
  - For bank accounts, either **Checking** or **Savings**, as indicated when you created at the account.
  - For credit card accounts, the type of credit card, as determined by the credit card number.
- **Routing Number:** For bank accounts, the bank’s routing number.
- **Account/Card Number:** For bank accounts, the account number. For credit cards, the card number.
- **Exp Date:** For credit card accounts, the card’s expiration date.
- **Actions:** Click to manage the account.

Payment Accounts

Test1	Checking	021000021	XXXXXX2147		⋮
Credit	Visa		XXXXXXXXXXXX1111	12/2022	⋮

To delete an account, click the **Actions**  icon for the account, then select **Del**.

## Make a One-Time Payment - Adding a Payment Account

You can open the **New Payment Account** page from several locations:

- From the **Payment Accounts** page:
  - If you do not have a payment account set up, the **New Payment Account** page opens automatically when you select **Payment Accounts** from the **My Payments** navigation menu item.
  - If you do have a payment account set up, you can click **Add Payment Account** to open the **New Payment Account** page and set up another account.
- From the **Make a One-Time Payment** page, by clicking **Add Payment Account**.
- From the **Schedule Recurring Payment** page:
  - If you do not have a payment account set up, the **New Payment Account** page opens automatically when you select **Schedule Recurring Payment** from the **My Payments** navigation menu item.
  - If you do have a payment account set up, you can click **Add Payment Account** to open the **New Payment Account** page and set up another account.
- From the **Scheduled Payments** page:
  - If you do not have a payment account set up, the **New Payment Account** page opens automatically when you select **View Scheduled Payments** from the **My Payments** navigation menu item.
  - If you do have a payment account set up, you can click **Add Payment Account** to open the **New Payment Account** page and set up another account.

Depending on how the property management team has set up the Tenant Portal, you can set up an E-Check account, a credit card account, or both:

- To set up an E-Check payment account, select **E-Check**, then follow the instructions in **Adding an E-Check Payment Account** (on page 50).
- To set up a credit card payment account, select **Credit Card**, then follow the instructions in **Adding a Credit Card Payment Account** (on page 52).

## Make a One-Time Payment

On the **Make a One-Time Payment** page, you can:

- Make a one-time payment via E-Check or Credit Card (on page 72).
- Make a one-time payment using cash (on page 74).
- Click **Add Payment Account** (on page 48) to add a new payment account.

You can open the **Make a One-Time Payment** page from several locations:

- From the **My Payments** navigation menu item, by selecting **Make a One-Time Payment**.
- From the **Payment Accounts** page, by clicking **Make One-Time Payment**.
- From the **Scheduled Payments** page, by clicking **Make One-Time Payment**.

If you do not have a payment account set up, you can only make cash one-time payments (if your property management company allows cash payments).

The screenshot displays the 'Make a One-Time Payment' interface within a Tenant Portal. At the top, it shows the breadcrumb 'My Payments / Make a One-Time Payment'. The main heading is 'Make a One-Time Payment' with a back arrow. Below this, the 'Unit' is set to '1327 Bobing Dr - Active'. The 'Payment Method' is currently 'Select Payment Method', with a '+ Add Payment Account' link next to it. The 'Balance' is \$2,500.00, the 'Minimum Payment' is \$1,600.00, and the 'Payment Amount' is \$ 0.00. The 'Payment Date' is 06/17/2019. At the bottom right, there are 'Cancel' and 'Submit' buttons.

## Make a One-Time Payment - E-Check or Credit Card

To authorize a one-time E-Check or Credit Card payment:

1. Open the **Make a One-Time Payment** page from one of these locations:
  - From the **My Payments** navigation menu item, by selecting **Make a One-Time Payment**.
  - From the **Payment Accounts** page, by clicking **Make One-Time Payment**.
  - From the **Scheduled Payments** page, by clicking **Make One-Time Payment**.
2. If you have not set up a payment account, the **New Payment Account** page opens. See **Adding a Payment Account** (on page 48) for a description of adding a payment account.
3. If you have a saved payment account, the **Make a One-Time Payment** page opens.

**Tenant Portal**  
My Payments / Make a One-Time Payment

**< Make a One-Time Payment**

Unit  
1327 Bobing Dr - Active

Payment Method \*  
Select Payment Method [+ Add Payment Account](#)

Balance: \$2,500.00    Minimum Payment ⓘ: \$1,600.00    Payment Amount \*: \$ 0.00

Payment Date \*  
06/17/2019

[Cancel](#) [Submit](#)

4. From the **Unit** drop-down list, select the unit to make the payment for.
5. From the **Payment Method** drop-down list, select the name of the account to make the payment from. To make a cash payment (if it is available to you), follow the instructions in **Make a One-Time Payment - Cash** (on page 74).

The fields on the **Make a One-Time Payment** page change to match the account type you choose.

6. If you selected an account associated with a credit card, type the credit card's CVV in the **CVV** text box.

7. In the **Payment Amount** text box, type the amount to pay. The payment amount must be at least as much as the amount in the **Minimum Payment** field.

*If there are convenience or service fees associated with the payment type you selected, they will automatically be added to the Payment Amount you provide.*

8. Click **Submit**.  
A **Confirm Payment** dialog opens and displays the **Payment Amount** and the **Total Amount** (the **Payment Amount** plus any convenience fees).

9. To approve the payment, click **Pay**.  
A receipt appears. The receipt includes a confirmation message, the details of your payment, and a confirmation number.

## Make a One-Time Payment - Cash

You can use the **Cash** option in the **Payment Method** drop-down list (if it is available to you), to make a one-time cash payment.

The screenshot shows the 'Make a One-Time Payment' form in the Tenant Portal. At the top, it says 'Tenant Portal' and 'My Payments / Make a One-Time Payment'. Below this is a header with a back arrow and the title 'Make a One-Time Payment'. The form contains several fields: 'Unit' with a dropdown menu showing '1327 Bobing Dr - Active'; 'Payment Method \*' with a dropdown menu showing 'Select Payment Method' and a '+ Add Payment Account' link; 'Balance' with a greyed-out field showing '\$2,500.00'; 'Minimum Payment' with a greyed-out field showing '\$1,600.00' and a help icon; 'Payment Amount \*' with a text input field showing '\$ 0.00'; and 'Payment Date \*' with a date picker showing '06/17/2019'. At the bottom right, there are two buttons: 'Cancel' and 'Submit'.

To make a one-time cash payment:

1. Open the **Make a One-Time Payment** page from one of these locations:
  - From the **My Payments** navigation menu item, by selecting **Make a One-Time Payment**.
  - From the **Payment Accounts** page, by clicking **Make One-Time Payment**.
  - From the **Scheduled Payments** page, by clicking **Make One-Time Payment**.
2. On the **Make a One-Time Payment** page, from the **Unit** drop-down list, select the unit to make the payment for.

- From the **Payment Method** drop-down list, select **Cash**.

If Cash is not available, your property management company does not permit cash payments.

The fields on the **Make a One-Time Payment** page change to match the requirements of a cash payment.

- In the **Payment Amount** text box, type the amount of the payment.

Depending on your property management company's configuration, you may not be able to make partial payments.

- To locate a payment center to make your cash payment, click **Find a Payment Center**.

The **Payment Center Locator** page opens.

6. Complete the fields on the **Payment Center Locator** page then submit your responses.  
A list of payment centers appears. You can deliver your payment to any of the centers in the list.
7. Click **Submit**.

**There is a bill payment fee associated with all cash payments.**

A confirmation box opens.

**Confirm Submission**  
 \$1600 + \$3.75 Bill Payment Fee  
**TOTAL \$1603.75**

The act of generating this voucher will not process a payment. The payment will be entered on your ledger when it is processed at a payment center.

8. Review the information, then click **Get Voucher** when the information is correct.

The RentMoney Voucher opens.

## Pay Your Rent with Cash in 3 Steps

**1**  
Hand this paper to the cashier  
Entregue esta hoja de papel al cajero

**2**  
Tell them you want to pay your RentMoney bill  
Dígalos que quiere pagar su factura de RentMoney de alquiler.

**3**  
Pay your rent + \$3.75 bill payment fee  
Pague su alquiler + pago de factura \$3.75

Account Information Entered by Associate	Biller Name Account Number Tenant's Name	RentMoney 10047 Peter Hart	Payment Bill Payment Fee Total Payment	\$978.25 \$3.75 \$982.00
--	--	----------------------------------	--	--------------------------------

Amount of payment is as of 01/03/2018 and subject to change based on your agreement. You should check your amount due on your portal if not paying on 01/03/2018. You should check your amount due... If you have any questions on this voucher, please contact your management company.

**Walmart Customer Service Associate**

This is a payment for rent. It should be processed through the  option and not as a Money Gram payment.

When you need to pay it now:

1. Go to the Financial Services tab to conduct a bill payment
2. Select "Bill Payment" button
3. Follow the prompts to enter information
4. Select "Search Biller" button and enter "RentMoney"
5. Choose "RentMoney" as biller
6. Enter account and payment information  
Company: Realpage  
Account Number: 10047  
Tenant's Name: Peter Hart
7. Collect the \$3.75 bill payment fee
8. Return this paper with the customer's receipt

**Non-Walmart Associate**

This is a payment for rent. It should be processed through the  option.

www.rentmoney.com

1. From the main payment page, press F2
2. Type your User ID, press enter
3. Type "Rent" in the biller box. RentMoney will display.
4. Enter the customer account number twice  
Account Number: 10047
5. Enter the amount customer wants to pay
6. Click Look Up .
7. If Accept Other Than Amount Due = False, customer must pay amount listed. Tell the customer you cannot accept a partial payment
8. If Accept Other Than Amount Due = True, the customer may pay any amount
9. Click OK
10. Click Accept
11. Collect the \$3.75 bill payment fee
12. Click Pay
13. Click Save
14. Return this paper with the customer's receipt

9. To complete your RentMoney payment, follow the steps included on the voucher.
10. You can print the voucher and give it to the payment center associate, or you can give the associate the account and payment information included on the voucher:
  - **Biller Name:** RentMoney
  - **Account Number:** Unique ID number created for this RentMoney payment
  - **Tenant's Name:** Your name
  - **Payment:** Amount of the payment without the bill payment fee.
  - **Bill Payment Fee:** Amount of the bill payment fee.
  - **Total Payment:** Total of the payment amount and the bill payment fee.

*If you are making the RentMoney payment using the Tenant Portal Mobile Application, you can give the associate the account and payment information, or you can show the associate the voucher on your phone or mobile device.*

## Scheduling a Recurring Payment

To schedule a recurring payment:

1. Open the **Schedule Recurring Payment** page:
  - From the **My Payments** navigation menu item, when you select **Schedule Recurring Payment**.
  - From the **Payment Accounts** page, by clicking **Schedule Recurring Payment**.
  - From the **Scheduled Payments** page, by clicking **Schedule Recurring Payment**.
2. If you have not set up a payment account, the **New Payment Account** page opens. See **Adding a Payment Account** (on page 48) for a description of adding a payment account.
3. If you have a saved payment account, the **Schedule Recurring Payment** page opens.

The screenshot shows the 'Schedule Recurring Payment' form with the following fields and options:

- Unit:** 308 Duke Ave - Active
- Payment Method \*:** Select Payment Method (with a '+ Add Payment Account' link)
- Payment Amount \*:** \$ 0.00
- Frequency \*:** Monthly
- Start Date \* ?:** MM/DD/YYYY (with a calendar icon)
- End Date ?:** MM/DD/YYYY (with a calendar icon)
- Description:** (empty text box)
- Buttons:** Cancel and Submit

4. From the **Unit** drop-down list, select the appropriate unit.
5. From the **Payment Method** drop-down list, select the account to make the recurring payments from. You cannot set up a recurring cash payment.  
When you select a payment account, the payment account information appears in the **Payment Account** field.
6. To add a payment account, click **Add Payment Account** and follow these steps for **Adding a Payment Account** (on page 48).
7. In the **Payment Amount** text box, type the amount to be paid.
8. From the **Frequency** drop-down list, select **Weekly**, **Monthly**, or **Yearly**.
9. In the **Start Date** calendar field, type or select the day on which to start the recurring payments.
10. In the **End Date** calendar field, type or select the day on which to end the recurring payments.

11. In the **Description** text box, type a description of the recurring payment.

*If your property management company charges a convenience fee for the payment method you selected, the fee amount appears below the Description text box. The convenience fee is added for each instance of the recurring payment.*

12. Click **Submit**.

A **Confirm Payment** dialog appears.

13. If the information in the **Confirm Payment** is correct, click **Save**.

The **Scheduled Payments** page opens and the recurring payment appears in the **Recurring Payments** list.

## View Scheduled Payments

The **Scheduled Payments** page is made up of two sections:

- *One-Time Payments* section: Lists upcoming one-time payments.
- *Recurring Payments* section: Lists recurring payments.

On the **Scheduled Payments** page, you can:

- View and manage upcoming one-time payments (on page 81).
- View and manage established recurring payments (on page 82).
- Add a payment account (on page 48).
- Make a one-time payment (on page 71).
- Schedule a recurring payment (on page 55).

### Scheduled Payments

[Add Payment Account](#) [Make One-Time Payment](#) [Schedule Recurring Payment](#)

#### One-Time Payments

Unit	Payment Account	Amount	Fee	Date	Action
308 Duke Ave Active	Credit	\$175.00	\$1.50	07/25/2019	

#### Recurring Payments

Unit	Payment Account	Amount	Fee	Frequency	Start Date	End Date	Next Payment	Action
308 Duke Ave Active	Credit	\$50.00	\$0.00	Monthly	07/20/2019	07/19/2020	08/20/2019	

## Viewing Scheduled Payments

For each upcoming one-time payment in the **One-Time Payments** list, this information is included:

- **Unit:** The unit for which the payment is scheduled.
- **Payment Account:** Account that will be used to make the payment.
- **Amount:** Payment amount.
- **Fee:** Convenience or service fee associated with the payment account you selected.
- **Date:** Date on which the payment will be made.
- **Action:** In the **Action** column, you can click the Delete icon  to delete the upcoming one-time payment.

One-Time Payments					
Unit ↕	Payment Account ↕	Amount ↕	Fee ↕	Date ↕	Action
308 Duke Ave Active	Credit	\$175.00	\$1.50	07/25/2019	

Click a column title, other than **Action**, to sort the list by that column.

## Viewing and Managing Recurring Payments

For each recurring payment in the **Recurring Payments** list, this information is included:

- **Unit:** The unit for which the payment is scheduled.
- **Payment Account:** Account that will be used to make the payment.
- **Amount:** Payment amount.
- **Fee:** Convenience or service fee associated with the payment account you selected.
- **Frequency:** How often the payment recurs.
- **Start Date:** Day on which the recurring payments started or will start.
- **End Date:** Day on which the recurring payments will end.
- **Next Payment:** Date on which the payment will be made.
- **Action:** In the **Action** column, you can click the **Delete** icon  to delete the recurring payment.

Recurring Payments								
Unit	Payment Account	Amount	Fee	Frequency	Start Date	End Date	Next Payment	Action
308 Duke Ave Active	Credit	\$50.00	\$0.00	Monthly	07/20/2019	07/19/2020	08/20/2019	

Click a column title, other than **Action**, to sort the list by that column.

## Filtering Portfolio and Date Range on My Ledger

To change the portfolio and date range for the data presented on **My Ledger**:

1. Click the **Filter** icon .

The **Filters** panel appears.

2. In the **Portfolio** drop-down list, select the portfolio to feature on **My Ledger**.
3. In the **Period** drop-down list:
  - Select a preset date range (“Last Year”, “This Month”, etc.).
  - or -
  - Select “Custom Date Range” then type or select a **Start Date** and **End Date** for your custom date range.
4. To make the portfolio and date range the default data set for **My Ledger**, click the **Set as Default** toggle switch. The switch turns green when **Set as Default** is enabled.
5. Click **Apply**.

The information presented on **My Ledger** changes to reflect the portfolio and date range you selected.

## Downloading a Copy of My Ledger

To download a copy of the data in the *Portfolio* section of **My Ledger**:

1. Use the **Portfolio** and **Period** filters (on page 83) and page navigation tools to locate the data you would like to download.
2. Click the **Download** icon .
3. Your browser opens a download dialog.
4. Configure the settings in the download dialog and click the appropriate button to complete the download.

## Navigating and Managing the List of Transactions

To navigate through the list of transactions in the *Portfolio* section of **My Ledger** and manage the number of transactions shown on a single page:

1. To set the number of items that appear on a single page of the transaction list, click the **Show XXX Entries** drop-down list, then select the number of transactions to appear on a page.
2. To view a specific page in the list, click the **Page XX of XX** box, then type the desired page number.
3. To go to the next or previous page, click the **Next** icon  or the **Previous** icon .

# Service Requests

On the **Service Request** page, you can:

- View the list of service requests (on page 86).
- View the details of a service request (on page 24).
- Edit a service request (on page 30).
- Cancel a service request (on page 32).
- Create a new service request (on page 22).

The screenshot shows the 'Tenant Portal' interface for 'Service Request'. At the top right is a blue button labeled 'New Service Request'. Below it is a table with the following data:

Service Request Number	Date Created	Description	Status	Action
765	10/23/2012	Broken window	Closed	⋮
828	12/04/2012	Faucet still leaking!!!	Closed	⋮
6037	04/07/2016	toilet overflowing	Open	⋮

## In This Chapter

Viewing the List of Service Requests.....	86
Request Details.....	87
Creating a New Service Request.....	104

## Viewing the List of Service Requests

The list of services requests on the **Service Requests** page contains a list of your service requests.

For each service request in the list, this information is included:

- **Service Request Number:** Service request's tracking number. Click a service request number link to open the **Service Request Details** (on page 24) page for a service request.
- **Date Created:** Date on which the service request was created.
- **Description:** Description of the problem that spurred the service request.
- **Status:** Current state of the service request: **Open**, **Closed**, or **Canceled**.
- **Action:** Click the **Action** icon  to:
  - View the details of a service request in any status (on page 24).
  - Edit an open request (on page 30).
  - Cancel an open request (on page 32).

Service Request Number	Date Created	Description	Status	Action
<a href="#">765</a>	10/23/2012	Broken window	Closed	
<a href="#">828</a>	12/04/2012	Faucet still leaking!!!	Closed	
<a href="#">6037</a>	04/07/2016	toilet overflowing	Open	

Click a column header to sort the list of service requests.

## Request Details

The **Service Request Details** page is made up of three sections:

- *Request Details* section - In this section, you can:
  - View the details of a service request (on page 27).
  - Create a new service request (on page 22).
  - Edit a service request (on page 30).
  - Cancel a service request (on page 32).
- *Maintenance Documents* section - In this section, you can:
  - View documents attached to the service request (on page 35).
  - Attach a document to the service request (on page 36).
- *Conversations* section - In this section, you can:
  - View a list of conversations concerning the service request (on page 38).
  - Add a new message to an existing conversation (on page 39).
  - Create a new conversation for the service request (on page 40).

To open the **Service Request Details** page, from the **Service Requests** page or the *Open Service Requests* section of the **My Account** page, click the **Service Request Number** link for a service request.

## Viewing Service Request Details

In the *Request Details* section of the **Service Request Details** page, you can view the details of a specific service request.

The request details include:

- **Status:** Indicates whether or not the service request is in progress (**Open**) or has been completed (**Closed**).
- **Specific Location in Unit:** Location details provided when the service request was created or edited.
- **Description:** Detailed explanation of the issue that prompted the service request.
- **Requestor:** Person who submitted the service request.
- **Priority:** Urgency assigned to the service request.
- **Preferred Time to Enter:** Date and time the tenant would like the service to occur.
- **Date Created:** Date the service request was submitted.
- **Start Date:** Date work started on the service request.
- **Completed Date:** Date work on the service request was completed.
- **Closing Comments:** Comments provided by the person who completed the request.

If a field in the *Request Details* section is blank, no data has been entered for that field.

## Creating a New Service Request

To create a new service request in the New View Tenant Portal:

1. You can open the **New Service Request** pane from different locations:
  - From the **My Service Requests** page, click **New Service Request**.
  - From the **My Account** page, click **New Request** in the *Open Service Requests* section.
  - From the **Actions** drop-down menu on the **My Account** page, select **New Service Request**.
  - From the **Service Request Details** page, click **New Service Request**.

The **New Service Request** pane opens.

The screenshot shows a modal window titled "New Service Request" with a close button (X) in the top right corner. The form contains the following fields and controls:

- Requestor**: A text field containing "Aaron Sosa".
- Primary Phone Type**: A dropdown menu with "Home" selected.
- Primary Phone**: An empty text input field.
- Email Address \***: A text input field containing "lobortis@maurissit.edu".
- Priority**: A dropdown menu with "Medium" selected.
- Preferred Entry Date & Time**: A toggle switch that is turned on, labeled "Any date/time".
- Attach Document**: A blue button.
- \* Required fields**: A label indicating which fields are mandatory.
- Cancel**: A light blue button.
- Save**: A blue button.

2. From the **Building/Unit** drop-down list, select the location for the service request.

3. In the **Specific Location** text box, provide additional details regarding the location of the maintenance problem.
4. In the **Description** text box, type a detailed description of the problem.
5. From the **Primary Phone Type** drop-down list, select the type of phone number you are providing for the request: **Mobile, Work, or Home**.
6. In the **Primary Phone** text box, type the phone number to use for this request.
7. The **Email Address** text box is automatically populated with the email address associated with your account. To change the email, type your changes in the text box.
8. From the **Priority** drop-down list, select the urgency of the service request.
9. In the *Preferred Entry Date & Time* section, configure the entry date and time:
  - a) To indicate that any time and date are acceptable, move the **Any Date/Time** toggle switch to the right.
  - b) To specify a preferred entry time, move the **Any Date/Time** toggle switch to the left. In the date and time fields that appear:
    - In the **Preferred Entry Date** calendar box, type or select the date on which you would like the service to be performed.
    - In the **Preferred Time to Enter** date box, type or select the time at which you would like the service to be performed.
10. To attach a document (including image files), click **Attach Document**, then use the browser's file upload dialog box to navigate to the file to attach.
11. When all the fields are complete, click **Save**.
12. If you added a new phone number or email address, a dialog box appears and you must indicate whether or not your profile should be updated to include your changes.

The new service request is created and appears in the list of open service requests.

## Editing a Service Request

To edit a service request:

1. From the **Service Request Details** page, click **Edit**.

The **Edit Service Request** pane opens.

**Edit Service Request** ✕

**Attach Document**

\* Required fields

**Cancel** **Save**

2. From the **Building/Unit** drop-down list, select the location for the service request.
3. In the **Specific Location** text box, provide additional details regarding the location of the maintenance problem.
4. In the **Description** text box, type a detailed description of the problem.
5. From the **Primary Phone Type** drop-down list, select the type of phone number you are providing for the request: **Mobile**, **Work**, or **Home**.
6. In the **Primary Phone** text box, type the phone number to use for this request.

7. The **Email Address** text box is automatically populated with the email address associated with your account. To change the email, type your changes in the text box.
8. From the **Priority** drop-down list, select the urgency of the service request.
9. In the *Preferred Entry Date & Time* section, configure the entry date and time:
  - a) To indicate that any time and date are acceptable, move the **Any Date/Time** toggle switch to the right.
  - b) To specify a preferred entry time, move the **Any Date/Time** toggle switch to the left. In the date and time fields that appear:
    - In the **Preferred Entry Date** calendar box, type or select the date on which you would like the service to be performed.
    - In the **Preferred Time to Enter** date box, type or select the time at which you would like the service to be performed.
10. To attach a document (including image files), click **Attach Document**, then use the browser's file upload dialog box to navigate to the file to attach.
11. When all the fields are complete, click **Save**.
12. If you added a new phone number or email address a dialog box appears and you must indicate whether or not your profile should be updated to include your changes.

The new service request is created and appears in the list of open service requests.

## Cancelling a Service Request

You can cancel a service request from different locations:

- From the **Service Request Details** page, click **Cancel Service Request**.
- In the *Open Service Requests* section on the **My Account** page, select **Cancel** from the **Action** drop-down menu.
- From the **Action** drop-down menu on the **Service Requests** page, select **Cancel**.

Only open service requests can be canceled.

When you cancel a service request, the request's status changes to "Canceled by Tenant".

**Canceling a service request is permanent.**

## Maintenance Documents Section

In the *Maintenance Documents* section of the **Service Request Details** page you can:

- View a list of documents attached to the service request (on page 34).
- Open and manage documents attached to the service request (on page 35).
- Attach a document to the service request (on page 36).

Maintenance Documents				
 Attach Document				
File Name	File Type	Size	Uploaded	Action
backed up sink.jpg	Image	28k	7/15/2019	

## Viewing the List of Attached Maintenance Documents

In the *Maintenance Documents* section of the **Service Request Details** page, you can view the details of a specific document attached to the service request.

The document details include:

- **File Name:** Name of the attached document.
- **File Type:** Type of file, as determined by the file extension of the attached document (.jpg, .txt, .pdf, etc.).
- **Size:** File size of the attached document.
- **Action** : Actions available for opening and managing attached documents (on page 35).

Maintenance Documents				
 Attach Document				
File Name 	File Type 	Size 	Uploaded 	Action
backed up sink.jpg	Image	28k	7/15/2019	

## Opening and Managing Documents Attached to the Service Request

For each attached document in the *Maintenance Documents* section list on the **Service Request Details** page, you can click the **Action** icon  to open the document or delete it.

To open an attached document, click the **Action** icon associated with the document, then select **View** from the list that opens. The document opens.

To delete an attached document, click the **Action** icon associated with the document, then select **Del** from the list that opens. The document is removed from the list of attached documents and is no longer attached to the service request.

## Attaching a Document to the Service Request

To attach a document to the service request:

1. You can attach a document to a service request from different locations:
  - From the *Maintenance Documents* section of the **Service Request Details** page, click **Attach Document**.
  - From the **Edit Service Request** pane, click **Attach Document**.
2. If you click **Attach Document** in the **Edit Service Request** pane, follow the instructions for attaching a file via your browser's file upload navigator. Skip to Step 5 of this procedure.
3. If you click **Attach Document** in the *Maintenance Documents* section of the **Service Requests Details** page, the **Attach Document** pane opens.

4. Either drag a file into the target area or click the target area to open your browser's file upload navigator.
5. If you drag a file into the target area, the file's name appears in the **Attach Document** pane.
6. If you open the file upload navigator, follow the browser's instructions to locate the file and upload it.
  - In the **Attach Document** pane, the file name appears under the target area.
  - In the **Edit Service Request** pane, the file name appears below the **Attach Document** button.

**You can attach only one file at a time.**

7. Click **Save**.

The document appears in the *Maintenance Documents* list.

## Conversations Section of Service Request Details

The *Conversations* section of the **Service Request Details** page lists conversations regarding the service request.

Conversations include your comments and responses, and the property managers' comments and responses.

**Only conversations related to the service request details you are viewing appear in the *Conversations* section.**

In the *Conversations* section, you can:

- View a list of existing conversations related to the service request (on page 38).
- Add a comment to an existing conversation (on page 39).
- Start a new conversation (on page 40).

The screenshot shows a 'Conversations' section with a title and an 'Expand All' toggle switch. Below the title is a 'New Conversation +' button. The main area contains a conversation thread. The first message is from 'Mr. Abel J. Nolan Sr.' dated '07/15/2019 4:08 PM' with the text 'Help! My kitchen sink won't drain because the garbage disposal is not working.' Below this is a text input field with a blue '+' button. The second message is from 'Cassandra Sosa' dated '07/15/2019 4:19 PM' with the text 'We will fix the problem as soon as possible.' The entire section is enclosed in a light blue border.

## Viewing the List of Conversations

In the *Conversations* sections of the **My Account** page and the **Service Request Details** page, you can view a list of conversations.

On the **My Account** page, all open conversations appear in the list of conversations.

On the **Service Request Details** page, only conversations related to the service request appear in the list of conversations.

Each conversation includes:

- The name of the person who started the conversation.
- The name of the person who made each comment.
- The date and time the conversation or comment was created.
- A **Comment** text box that allows you to add a comment to the conversation (on page 39).

### Expanding and Collapsing Conversations

To expand or collapse a single conversation click the **Expand/Collapse** icon .

To expand or collapse all conversations, click the **Expand All** toggle switch. The switch turns green when all conversations are expanded.

## Adding a New Comment to an Existing Conversation

To add a comment to a conversation:

1. In the **Comment** text box, type your message.
2. To post your comment, click the **Add Comment** icon .

Your comment appears under the next most recent comment and is also sent to the property managers.

The screenshot shows a 'Conversations' window with an 'Expand All' toggle (checked) in the top right. A 'New Conversation +' button is in the top left. The main area displays a message thread:

- Mr. Abel J. Nolan Sr. - 07/15/2019 4:08 PM**  
Help! My kitchen sink won't drain because the garbage disposal is not working.  
Below the message is a text input field with an 'Add Comment +' button on the right.
- Cassandra Sosa 07/15/2019 4:19 PM**  
We will fix the problem as soon as possible.
- Mr. Abel J. Nolan Sr. 07/16/2019 10:01 AM**  
Thank you!

## Starting a New Conversation

To start a new conversation:

1. Click **New Conversation**.

The **New Conversation** pane opens.

The screenshot shows a modal window titled "New Conversation" with a close button (X) in the top right corner. Below the title bar, there is a label "Comment \*" and a text input field with the placeholder text "Comment". At the bottom right of the pane, there is a legend "\* Required fields" and two buttons: "Cancel" and "Save".

2. Type your message in the **Comment** text box.
3. When your message is complete, click **Save** to send the message.

The conversation is delivered to the property management company and appears in your list of conversations.

Your name and lease information are included with the message, and, if you started the new conversation from the **Service Request Details** page, the conversation is associated with the service request and the service request number is included in the message that the property management company receives.

## Creating a New Service Request

To create a new service request in the New View Tenant Portal:

1. You can open the **New Service Request** pane from different locations:
  - From the **My Service Requests** page, click **New Service Request**.
  - From the **My Account** page, click **New Request** in the *Open Service Requests* section.
  - From the **Actions** drop-down menu on the **My Account** page, select **New Service Request**.
  - From the **Service Request Details** page, click **New Service Request**.

The **New Service Request** pane opens.

**New Service Request** ✕

Preferred Entry Date & Time  
 Any date/time

<sup>\*</sup> Required fields

2. From the **Building/Unit** drop-down list, select the location for the service request.

3. In the **Specific Location** text box, provide additional details regarding the location of the maintenance problem.
4. In the **Description** text box, type a detailed description of the problem.
5. From the **Primary Phone Type** drop-down list, select the type of phone number you are providing for the request: **Mobile**, **Work**, or **Home**.
6. In the **Primary Phone** text box, type the phone number to use for this request.
7. The **Email Address** text box is automatically populated with the email address associated with your account. To change the email, type your changes in the text box.
8. From the **Priority** drop-down list, select the urgency of the service request.
9. In the *Preferred Entry Date & Time* section, configure the entry date and time:
  - a) To indicate that any time and date are acceptable, move the **Any Date/Time** toggle switch to the right.
  - b) To specify a preferred entry time, move the **Any Date/Time** toggle switch to the left. In the date and time fields that appear:
    - In the **Preferred Entry Date** calendar box, type or select the date on which you would like the service to be performed.
    - In the **Preferred Time to Enter** date box, type or select the time at which you would like the service to be performed.
10. To attach a document (including image files), click **Attach Document**, then use the browser's file upload dialog box to navigate to the file to attach.
11. When all the fields are complete, click **Save**.
12. If you added a new phone number or email address, a dialog box appears and you must indicate whether or not your profile should be updated to include your changes.

The new service request is created and appears in the list of open service requests.

---

## CHAPTER 5

# Documents

On the **Documents** page, you can view building, lease, or other important documents shared by your management team.

Your management company may or may not include **Inspection** documents.

When a new document is uploaded to the Tenant Portal, you receive an email notification.

The **Documents** page is made up of these sections:

- *Building Documents* section: Documents related to your building.
- *Lease Documents* section: Documents related to your lease.
- *Inspection Documents* section: Documents related to any inspections performed on your unit.
- *Evaluations Documents* section: Documents related to management company evaluations.
- *Other Documents* section: Miscellaneous documents attached to your account.

For each document listed on the Documents page, this information is included:

- **File Name:** Name of the document.
- **Size:** Document's file size.
- **Uploaded:** Date the document was uploaded.
- **Uploaded By:** Name of the person who uploaded the document.
- **Download:** Click the **Download** icon  to download a copy of the document. You must have the appropriate software installed on your computer to view downloaded documents.

**Documents indicated by an asterisk (\*) are eSignature documents that require action from at least one signer. Once an eSignature document is complete, the document on your portal will update with the completed fields visible on the document.**

## CHAPTER 6

# Insurance

On the **Insurance** page, you can view your renter's insurance policy information, if you report your policy to the property management team.

For each insurance policy, this information is included:

- **Policy Holder:** Name of the person who owns the policy.
- **Policy Number:** Policy's reference or ID number.
- **Provider:** Company that provides the policy.
- **Status:** Policy's current state.
- **Effective Date:** Date the policy became or becomes effective.
- **Next Renewal:** Renewal date for the policy.
- **Last Status Update:** Most recent policy status update.
- **Policy Documents:** Click the **Download** icon  to download a copy of your policy documents. You must have the appropriate software installed on your computer to view downloaded policy documents.

Click any column header, except Policy Docs, to sort the list of policies by that value.

Tenant Portal  
Insurance

**Insurance**

# User Menu

The **User Menu** is located in the upper right corner of each page of the New View Tenant Portal.

Click the **User Menu**, to:

- View or Update your contact information (on page 111).
- Change your password. (on page 111)
- Return to your property manager’s website. (on page 112)
- Log out of the Tenant Portal. (on page 112)
- Switch to the **Dark Navigation** view. (on page 112)

## In This Chapter

Viewing or Editing My Contact Info .....	111
Changing Your Tenant Portal Password .....	111
Using Return to.....	112
Logging Out of the Tenant Portal .....	112
Switching to Dark Navigation.....	112

## Viewing or Editing My Contact Info

To open the **Contact Info** page:

1. From the **User Menu**, select **My Contact Info**.

The **Contact Info** page opens.

Contact Info				<a href="#">Edit Contact info</a>
First Name	Abby	Company		
Last Name	Schiro	Address 1	15651 Market St	
Email	abby.schiro@pw.com	Address 2	Bed 3	
Home	(469) 564-2150	City	Carrollton	
Work	(555) 555-5555	State/Province	TX	
Mobile 	(214) 555-1212	Zip/Postal Code	76003	

2. Click **Edit Contact Info** to update your contact information.

## Changing Your Tenant Portal Password

To change your password from the **User Menu**:

1. From the **User Menu**, select **Change Password**.

The **Change Password** panel opens.

### Change Password ✕

Email

Current Password

New Password

Confirm Password

2. Provide the required information, then click **Update**.

## Using Return to...

Your property management company determines the website the **Return to...** link opens. Normally, the **Return to...** link opens the property manager's main website, but your property manager can configure the link to open any web address.

To open the **Return to...** website:

1. Click your name/profile picture.

The **User Menu** opens.

2. Select **Return to...**

The configured website opens.

## Logging Out of the Tenant Portal

To log out of the New View Tenant Portal from the **User Menu**:

1. Click your name/profile picture.

The **User Menu** opens.

2. Select **Logout**.

You are logged out of the New View Tenant Portal and returned to the **Tenant Portal Login** page.

## Switching to Dark Navigation

**Dark Navigation** reverses the text and background colors in the **Navigation Menu**.

To switch to **Dark Navigation**:

1. Click your name/profile picture.

The **User Menu** opens.

2. Select **Dark Navigation**.

The view switches to the **Dark Navigation** view, with light text and dark backgrounds in the **Navigation Menu**.
